

FW-N 22/82 Mincer

Highlights

- Compact meat mincer for sales counter and preparation room
- Clearance-free fit for gentle comminution without warming up and with high oxygen enrichment for a longer product life
- Stainless steel housing and thick-walled product feed pan ensuring a robust structure
- Feed pan without folded upper edge for optimum hygiene
- Feed pan and feed hopper are seamlessly welded to the take-up of the worm housing
- Optimized worm shape for efficient feeding, largely without re-feeding

Options

- Large product feed pan with a filling volume of 13.5 l
- Splash guard
- Fly cover
- Various cutting sets:
 - L+W longlife (Enterprise)
 - L+W (Unger)
 - Lico (Unger, replaceable blades)
